WELCOME TO NEKO CAT CAFE

Hey There

Welcome to NEKO! We're a haven for rescue cats and humans to relax and enjoy each other's company. We've partnered up with a local shelter to give kitties a place to mingle with folks like you and find their purrfect match. Grab a drink and kick back with us! We are so happy you're here!

Our Story

Caitlin & Cory fell in love with cat cafes during their years living abroad in Japan! Their lifelong passion for animals, love of hosting, and a decade working in restaurants made a cafe full of cats the ultimate dream job. They returned to the US on a mission to create the kitty-filled hangout spot folks didn't know they needed. After opening NEKO Seattle in 2017 and NEKO Bellingham in 2020, the dream is alive and purring. Thank you for supporting a wild dream come true!

The Cat Room

Caring for the kitties is the most important part of our job! Your Cat Room contribution allows us to purrrvide the best pawssible life for them. Because of you, we're able to facilitate in-house adoptions and help these kitties find their furever homes.

Thank you fur your support!
