

NEKO CAT CAFE

ABOUT

NEKO CAT CAFE

NEKO is a chill space for rescue cats and humans to relax and enjoy each others' company! With two locations in Seattle & Bellingham, WA: NEKO purrvides a loving home for nearly 40 kitties while they await adoption! Whether you're coming in to grab a beer and chat while looking at the kitties in the windows, or doing a full cat room session with the floofy friends: every trip is purrrrrty purrfect for a cat lover!

OUR STORY

Caitlin & Cory fell in love with cat cafes during their years living abroad in Japan and Vietnam. They spent their free time visiting every cat cafe they could find. Their lifelong passion for animals, love of hosting, and a decade working in restaurants made a cafe full of cats the absolute dream. They returned to the U.S. on a mission to create a kitty-filled hangout spot folks didn't know they needed. A place where you could bring your friends for Happy Hour and your niece on a Saturday morning, all while giving local shelter cats the loving sanctuary they deserve. After opening NEKO Seattle in 2017, then NEKO Bellingham in 2020, the dream is alive and purring.

OUR MISSION

Happy cats are our number one purriority! All NEKO cats are rescues from our county shelter or Alley Cat Project! Nearly all our cats are adoptable, with the exception of our purrmanent residents, who stay at NEKO as role models for our adoptable kitties (and often become incidental brand ambassadors online!) We facilitate adoptions in-house and have sent hundreds of kitties home with their purrfect match!
